

SCC Institutional Research Report

SCC Student Transfers to Other Institutions, Student Clearinghouse Enrollment Search

Shanda Diehl

30-Jun-05

* Students were included in these numbers if they had an A, B (i.e. an academic intent), G, or F (i.e. professional/technical intent).
 * Students were considered as SCC students if they were in the P171 SM database AND had completed at least 15 credits at SCC.
 * There were 19,935 unduplicated student records sent to the Student Clearinghouse. They found 19,638 (98.5%) of the students.
 * The Student Clearinghouse returned information on 4,872 students who had subsequent enrollments at other institutions and did not have their information blocked.

SCC Transfers to Institutions by Whether Transfer Students Earned a Degree at Transfer Institution, 1997-98 - Winter 2004-05

Data Notes: Use caution when interpreting these results. Students who transferred in and after 2001-02 may not have earned their degree but still may be currently enrolled at the respective transfer institution and working toward earning their degree. In addition, 1,380 students or 28% of transfer students attended more than one transfer institution.
