Tami Windhorst, Associated Student Council Vice-President

Hello, my name is Tami Windhorst and I'm your student body Vice President. I have had a busy month preparing for my position and the beginning of school. Over the summer I attended two leadership training conferences; CUSP and NACA in which I had the opportunity to network with fellow student government officers from other schools, trained and received some great ideas for which I can implement at our school. I also attended a ASG training the week prior to school by our advisor Allison. I participated in the first "great college drive inn event" which was a great success having over 400 attendees! I transferred between two tables at the "Get in Get Involved" event the ASG Student Government & PTK. I'm looking forward to a great year!

From July 9-12 I attended the NACA conference at Seattle, WA. September 9-11 I attended CUSP conference at Wenatchee, WA. The week before school I scheduled and attended several interviews for the work study position of food Bank Attendant. I hired Dan Johnson and Anna Sebastian. The decision was difficult given all of the students interested in the position. I called every applicant back and thanked them for their interest in the position and wished them luck. I also attended ASG training with Alison Pau from the 14th to the 18. I met with Dawn Weiber from the 2nd Harvest for an orientation and walk through of their facility. The first week of school I completed driver training, requested keys for my work studies, worked out a schedule for work-studies and food bank hours, and ordered cleaning supplies for the food bank. The second week of school I trained Dan and Anna on the operations of the food bank. As a team Dan, Anna and I have been working on several projects such as re-doing the food bank bulletin board and cleaning the food bank. I this last week I have been communicating with 2nd Harvest and made my first order, scheduled to be picked up Friday the 2nd.

Alison Pau, Advisor, Associated Student Government

Hi my name is Alison Pau and I am the advisor of the Associated Student Council. I want to remind all the work study students that your timesheet is due TODAY, so make sure you submit them. As a reminder as we're starting out this year, most decisions that your club makes regarding money, raising or spending, need to get approval from our office ahead of time and be process. So make sure you know deadlines for things.

Examples: We need fundraising approval forms 2 weeks before the fundraiser. Travel forms, personal services contracts and purchase requisitions are needed three weeks prior to event), etc. Thank you.
