I went to the Volleyball game and happy to report that we won 3 games to 1. I turned in my Bio. I also attended the NASO and SASQUAD meetings. I signed up for the Ethnicity Project. I met with Ali. I had a tour of the athletics department with Ken Burrus. I met with the SAC chair Brenda Crosby. I went to the Health Care Center to have my foot looked at. I joined SASQUAD at the 24 hour Comic Book Challenge.

Tami Windhorst, Associated Student Council Vice-President

Hi everyone my name is Tami Windhorst and I'm your student body Vice President. This week I went on a department tour of the Media center with Jason and of the Athletic department with Jason and Michael. I attended Lady Danville and Nu Jack City in the Cafeteria, which I though did a great job. Thanks to the SAC for bringing two great concerts to our school! I finished typing up everyone's bio's for the student government

web page. I attended the Meet the ASG where we ran an obstacle course, made popcorn and snow cones. We had a great time! I also communicated with the Executive Secretaries in establishing committee's for the student representatives. Thank you!!

Greetings! This week I worked on a recruitment plan for the LASO club, attended my first meetings for the Rho Beta Psi, Asian Pacific Islander, Veterans, NASO, and LASO clubs. This weekend I had the pleasure of attending the Regional Leadership Conference for Latino's, it was a great learning experience and had the opportunity to network with other Hispanics in the region. I worked on my first minute's report for SAC and ASC meeting and I continuously updating the club attendance sheet. I participated in the Meet the ASG event it was a blast and thought was a successful event.

Matt Kaczmar, Associated Student Council, Director of Student and Club Affairs

This week I've been contacting clubs making sure meeting times are accurate, been helping clubs with constitution revisions, been helping new clubs form charters and constitutions, met with students to discuss issues on campus, and got my picture taking for the Ethnicity Imaging Project.

Krishen Talarico, Associated Student Council Director of Legislation

Hello everyone! This week I attended the ASG team building exercise on Saturday, went to the SASQUAD meeting, joined SASQUAD for the 24 hour comic book day challenge at Merlin's, registered for the Legislative Conference in Olympia, joined the Fit Club and was voted in as the president, rehearsed for the play that SCC players club is putting on, watched Lady Danville in the bistro, kept up on emails, participated in the Meet the ASG event, did yoga with the Fit club, and watched Nu Jack City in the bistro.

Lindsay Murphy, Associated Student Council Director of Emergency Services

This week I've been exceptionally busy putting together the Food Bank Harvest Party, which will be held on the 16th of October. The objective of this event is to increase awareness of the food bank services amongst the student population and raise donations. For a contribution to the food bank, a student can choose a pumpkin out of the pumpkin patch that will be set up here on campus. If they so choose, art supplies will be set up inside the Lair to decorate the pumpkins, along with a face painter. The event is geared towards families and a gift certificate will be granted to the winner of the 12 and under pumpkin decorating contest to encourage participation. In preparation for this event I have spent hours on the phone pricing pumpkins. On Wednesday my work-study, Anna and I hand pick 100 pumpkins from Yoke's grocery. I had to make special arrangement with facilities to un-load 1,000 lbs of pumpkins with their fork-lift and store them in a secure area. I designed posters for this event, communicated and booked the entertainment/face painter via e-mail, and spoke to the manager of WhizKids on several occasions to approve a purchase order for gift certificates. I also submitted my bio to ASC Vice President, Tami Windhorst for the SCC student government web page. Thursday October 1st I attended the Meet the ASG event where I challenged other students and constituents to races through the obstacle course and served snow cones.

This past week I attended meet the A.S.G. where I helped make popcorn and snow cones. I attended the Culinary Club meeting and learned they have two teams competing this year do they have tons of fundraisers planned. I also attended the Lady Danville and Nu Jack City concerts, both excellent. I contacted Barb Reilly regarding the NALS club and waiting to hear back from them regarding the club. Had a blast at the Saturday team building exercise and learned a great deal about teamwork.

Mike Morris, A.S.C. Senator of Health & Environmental Science

For the week of October 1 to October 7, I went to the “meet the ASG” event and had fun on the obstacle course we rented. I also attended the ASG Teamwork Building event on Saturday where I learned a lot about our team and myself. I attended meetings with the X-Ray Vision Club, Natural Resources Club, and Health Information Management (H.I.M.) Club which all went well. Last but not least, I began doing research on the parking conditions on campus in hopes of finding some ways to make parking less stressful for students.

Alison Pau, Advisor, Associated Student Government

Greetings! My name is Alison Pau and I am the advisor of the Associate Student Council. I was not at this weeks’ meeting because I was traveling to attend the College Unions and Student Program meeting in Yakima, WA. For those SCC Clubs and Orgs, we are taking RSVPs for the Halloween Family Fun Event on Thursday, Oct. 29 from 5:30-7pm here in the Lair. If your club or org would like to participate please contact me at your earliest convenience. Additionally, next week, in the Lair we will be having a Classroom Furniture Extravaganza. Please take time to check out the furniture and give your feedback. This furniture could eventually make it into your classroom(s) and we need some student input.
