Tami Windhorst, Associated Student Council Vice-President

Hello, my name is Tami Windhorst and I'm your student body Vice President. This past week I had a division tour with Dean Virginia Tomlinson and Levi Hanson of the Arts & Sciences department. We discussed in great length the changes that have taken place in the tutoring center and the improvements their department is making to make it even better. I had one on one meetings with; Levi, Michael, Mike, Krishen and Kendu. I called and conducted the all ASG meeting this past Monday where we discussed expectations and job responsibilities for all members of the ASG. I reviewed both the Veterans Club & Latter Day Saints Student organization Constitutions which we are voting on today. I attend the "table committee" in which we discussed various forms of arranging this conference room that would be most useful and productive. We also are in the process

of deciding what type of table, chairs, etc to order. We have put out surveys on your tables, please take a moment and give us your feedback. Thank you!

Greetings! This week I worked on the minute report for SAC and ASC meetings; I updated the club attendance sheet. I attended meetings for Rho Beta Psi, LASO, and NASO. I worked on the construction of the Hunted House, which was a huge success! I participated in the family fun night, by hosting the Hunted House and then supervised the clean-up of the hunted house. I saw the interactive film "Native vision" which was great, very informative. I attended trick or treat trivia, dig pick night at SFCC and the all ASG meeting. I did my voice recording and video recording for the promo video, which came out great. Congrats! To Terry Hatten she is doing an outstanding job with the video project.

Matt Kaczmar, Associated Student Council, Director of Student and Club Affairs

This week I've been working with DCI in setting up SCC as an official DCI venue, fielding questions about LDSSA, attended Gaming Club and Comic Book Club, and been reading proposals and constitutions. I also attended Family Fun Night where I ran the Gaming Clubs Zombie Shooting Gallery. And I attended the all ASG meeting on Monday.

Krishen Talarico, Associated Student Council Director of Legislation

This week I attended the District Finance and Legislative Committee meeting, the SASQUAD comic book club meeting, Fit Club meetings, set up a voter information booth in the Lair, went to Olympia for the Legislative Academy, signed the old conference table, ordered awesome shirts for SASQUAD, and watched the Trick or Treat Trivia in the bistro.

October 28th the food bank was visited by Randy from the 2nd Harvest Food Bank for its annual inspection. I went over paper work with him and gave him a tour of our facility. There were no negative marks against the food bank and they reported that we are following all of their policies and procedures. Thursday I visited 2nd Harvest and created a poster for LASO's haunted house that they were putting on for family fun night. Friday I recorded my segment of the ASG video that Terri is preparing and made a shopping trip to the Grocery Outlet for the food bank. Monday was very busy with it being the sign-up day for the Thanksgiving baskets. I also attended the all ASG meeting to discuss concerns some of us on student government are having with others not following protocol. Tuesday I worked on posters for my food drives and made a donation log binder to keep track of the club's food donations. I also collected, sorted and stocked the shelves' in the food bank with the several donations from the clubs we had received that day.

For the week of Oct 28 – Nov 4: Right after last weeks' meeting I participated in the filming of the ASG's video promotion project.
