**Tami Windhorst, Associated Student Council Vice-President**

Hi my name is Tami Windhorst and I am your student body vice president. The past two weeks have been really busy. I had one on one appointment with Jason, Levi, Mike and Charla discussing their Senator duties and responsibilities. I prepared for this meeting in Michael's absence in preparing the PowerPoint and agenda. I'm in the process of ordering student government jackets for the ASG. I'm working on having a new mailbox system custom made for our student government/club mailbox area. I sit on the committee which is working on choosing a new table for our student government conference room; we really appreciate your input and ideas on that too! I participate in the Ethnicity project that was put together by Kendu Humphreys- located downstairs.

I have also been trying to assist Lindsay in the Food band as she is very busy and doing too much for one person!

Tuesday the 10<sup>th</sup> was the official sign-up date for the Tree of Sharing. Forty-five families were signed up in the first half hour! I also visited Second Harvest Food Bank on the 10<sup>th</sup>. Besides coordinating the Tree of Sharing I have been organizing a clubs food drive to bring in food for the Thanksgiving baskets. I must say I am delighted by the participation and effort put forth by our student and facility community. During the last two weeks the clubs and faculty have provided enough food and funds to sustain the food bank. Tuesday numerous donations were made to the food bank by the Veterans Club, Water Resources, Computer Club, Student Awareness League, and Ag/Hort. Most of the day consisted of sorting and inventorying hundreds of pounds of food with the help of Mike Morris and Anna Sebastian. There is also another food drive taking place on campus in the bistro arranged by Tracy from Sodexo. A considerable amount of time was spent this week making tags to be placed on the Tree of Sharing. The tree is available in the Lair outside of the student activities office for anyone interested in adopting a family.

Jason Fierst, A.S.C. Senator of Athletics, Student & Instructional Services

My name is Jason Fierst, Senator for Athletics, LRC and Student Services. For the last two weeks I have been busy working with my clubs, visiting with my Departmental staff to review their initial submissions for STFC and working on plans for the upcoming smoking task force meeting which will be December 3<sup>rd</sup>. I did some extensive research on table options, pricing and idea and submitted them to the table committee. The majority of this week I was out of the office sick, so I am now just in the process of catching up.

Levi Hanson, A.S.C. Senator of Arts & Sciences

This last week I met with Teri and Ali for a planning session for the Spring Arts & Sciences Festival. I spoke with Dean Tomlinson about the festival as well. I recorded my video for the ASG promo. I helped deliver food and donations to the food bank as part of the club challenge. I met with members of SAL and Legends to discuss upcoming events and meeting attendance. I helped out SAL at their annual House of Charity Thanksgiving meal. I'll be participating in the Tree of Sharing with some of my fellow students in the Arch Tech Program.
