#### Jason Fierst, Associated Student Council Director of Legislation

My name is Jason Fierst and I am your Director of Legislative Issues. This week I have been continuing to work on April's Civic's Week, reviewing constitutions and budget requests that have been submitted and interacting with the clubs I am involved in. Today I was able to attend SANE's presentation of Taking Root and it was a very enlightening video. I have also been working on creating a new organization here on campus that focuses on legislature and bills/laws that are being proposed that affect student's lives here on campus. I met with Ali on this earlier this week and I am very excited about the way things are coming together. I have also been actively engaging state legislators on the House Labor and Commerce Committee about a bill that is being heard before them that could seriously hurt the Architecture program here at SCC. Other than that, just a reminder that my office hours are 10:30-12 each day and I am there for any students that might have questions of concerns about

what is going on with local, state or federal govt., things like financial aid, childcare support, healthcare or anything else... stop in and see me.

Lindsay Murphy, Associated Student Council Director of Emergency Services

Thursday afternoon I met with fellow student government members to discuss voting at the upcoming Student Tech Fee Meeting. Friday I helped with a delivery from 2<sup>nd</sup> Harvest Food Bank and prepared for Monday's STFC meeting. Being a voting member of the STFC, I attended and voted at the Monday meeting. I prepared a proposal to deliver to the ASC on Wednesday in regards to purchasing a new refrigerator and reviewed other proposals to be heard. The rest of the week was business as usual at the food bank assisting students and maintaining cleanliness and order.

Mike Morris, A.S.C. Senator of Health & Environmental Science

Hello! My name is Mike Morris, your Senator of Health and Environmental Sciences. Since last Wednesday I have attended two Student Tech Fee Committee meetings, the last of which we voted on the final proposal for the contingency round and passed it. To make a long story short SCC will soon be ordering a bunch of new equipment that will improve the quality of the student's education on campus. Also, on last Thursday I received an email from Brian Green announcing the results of The P.A.S. Competitions that 11 members of the Ag/Hort program attended on January 28-29 in Walla Walla. According to the Email, SCC won 12 1<sup>st</sup> places, 8 2<sup>nd</sup> places, 6 3<sup>rd</sup> places, and 4 4<sup>th</sup> places with one of them being a tie between 2 SCC students! I know many of you may already have heard about this, but I wanted to stress to you just how incredible our Ag/Hort students really are! Let's give them a round of applause! Continuing on, I also stopped by the Cosmetology department's fundraiser yesterday in the Lair and got my hair cut. I think they did a spectacular job. Thank you very much!

Ray Allen, A.S.C. Senator of Technical Education

Since our last meeting I have attended two S.T.F.C. meetings, delegated a N.A.S.O. meeting, donated funds to Cosmetology, attended the Equity and Diversity meeting. Met with Nick from swim club to discuss diet and exercise, did follow up with Ruth Silverthorne, helped food bank stock shelves had several discussions with Mike Watson and currently attempting to contact all of my clubs.

Alison Pau, Advisor, Associated Student Government

Hi my name is Alison Pau and I am the advisor of the Associated Student Council. I have a few announcements and dates that are important for clubs and orgs. First of all the FYI Amazing Race event will be on Tuesday, March 30<sup>th</sup>. I am looking for volunteers from 11am-2pm who would like to help facilitate this fun game for new SCC students. I will also be providing lunch for those willing to help out. Tuesday, April 13<sup>th</sup> will be the next Get In, Get Involved: Club and Activities Fair. This is a chance to recruit more members to your club for Spring Quarter. March 15 and 16 there will be try-outs to be the CCS Mascot, Skitch, at Spokane Falls Community College in the Spartan Theatre from 1-4pm both days. This can even be your work study position so consider trying out. Thank you.
