BillieBenham, Associated Student Council, Director of Administrative Services

Hello everyone! This week I was ratified as Director of Administrative Services. I have been settling into my new office. I have been working Jorge to learn my new job duties. I posted office hours, met with Alison Pau and Mike Watson. I participated in can for can, attended Bottom Line Duo, and bought a lovely plant arrangement from the Ag Hort club.

Jorge H. Guerrero, Associated Student Council, Director of Student and Club Affairs

Greetings! This week I worked on the minute report for SAC and ASC meetings; I updated the club attendance sheet. I attended meetings for Rho Beta Psi, Latin American Student Organization, Black Student Union, Multicultural Leadership Institute and Native American Student Organization.

Jason Fierst, Associated Student Council Director of Legislation

Hi my name is Jason Fierst and I am your Director of Legislative Issues. This week I have been working on setting up the timeline and plans for Civics' Week and the other legislative events for Spring. I am also continuing to work on the framework for the new Legislative Organization here on campus. Other than that I have held the Legislative Committee and had meetings with Matt, Mike and Ali.

Lindsay Murphy, Associated Student Council Director of Emergency Services

This week I inventoried the food items in the food bank. I was consulted by a student who is working on a community service learning project for her small group communications class on the subject of creating a resource manual for SCC students. I was able to give her many ideas and resources I feel would be beneficial to students. I utilized an Excel spread sheet, created in the previous weeks to enter food bank usage data. I filed a monthly report to 2nd Harvest Food Bank regarding the usage of SCC's food bank. I also submitted our weekly order to 2nd Harvest and arranged work studies schedules around our various pick-up times.

Terri Hatten, A.S.C. Senator of Athletics, Student & Instructional Services

This week I went to the ASC meeting. I was in contact with Darcy from the fit club about adding afternoon sessions so that more people can join, including me! I contacted Kristi from Ldds to help with the dance on April 9th. I met with the swim club and they ordered their new shirts. Contacted Ski and Snowboard about their trip to Silver Mountain. Met with Tasha from shut up and sign. Went to the Global Meeting, and was selected as their Treasurer! Contacted the CPR Club about the event that they had on the 26th. Worked on my constitution for the quit smoking club called the "Butt Out" club. Worked with Malek on locations for posters around campus. And went to the hospital, and I got back into classes today, so I will be making up some work, and I'm feeling better, ty.

Levi Hanson, A.S.C. Senator of Arts & Sciences

Hello, my name is Levi Hanson and I'm your Senator of Arts and Sciences. This week I participated in the Can for a Can fundraiser; thanks go to Kendu for organizing the event. I took part in the Legislative Committee meeting during which we talked about the upcoming Civics Week. I observed a faculty member's class as part of my position on the tenure review committee. I emailed faculty club advisors and members about their ASG meeting attendance. I attended the SAC meeting yesterday and represented the AIAS club. I intend to go to the SCC Player's production of Scenes of Life at 7:30 in the Lair Auditorium tomorrow night. It's free and I hope to see you there! Thank you

Cindy Jayne, A.S.C. Senator of Business, Hospitality & Information Technologies

Report not submitted.

Mike Morris, A.S.C. Senator of Health & Environmental Science

Hello! My name is Mike Morris, your Senator of Health and Environmental Sciences. Last Thursday I attended and helped out with the Presidential Speaker Series Lecture "The Transformation of U.S. Nuclear Policy" given by Joseph Cirincione. It was a very educational lecture. Mr. Cirincione had a very good presentation and even mixed in a tiny bit of humor into a normally depressing subject. This week I also had a meeting with the Dean of Health and Environmental Sciences, Mrs. Terri Armstrong. I found her to be very pleasant and easy to talk to. She gave me some information on the Tenure review committee that we will both be serving on and we also discussed how the two of us could help each other to continue to improve the education of the students in the Health and Environmental Sciences department. And that is all for me. Thank you.

Ray Allen, A.S.C. Senator of Technical Education

Tuesday attended N.A.S.O. meeting to discuss Indian taco sale and raffle and students of color conference. Today helped Kendo with can for a can then took some pictures for Linda's communication class which was raising awareness for Haiti earthquake victims meet with Terri Hatten Cindy Jane as well as Mike Watson to discuss future meetings. Attempted several times to reach David Cox Dean of Technical Education and briefly spoke to Dean of Student Activities Peter Williams about the progress of students and help deliver food to the food bank.

Alison Pau, Advisor, Associated Student Government

Hi my name is Alison Pau and I am the advisor of the Associated Student Council. I have a few announcements and dates that are important for clubs and orgs. First of all the FYI Amazing Race event will be on Tuesday, March 30th. I am looking for volunteers from 11am-2pm who would like to help facilitate this fun game for new SCC students. I will also be providing lunch for those willing to help out. Tuesday, April 13th will be the next Get In, Get Involved: Club and Activities Fair. This is a chance to recruit more members to your club for Spring Quarter. March 15 and 16 there will be try-outs to be the CCS Mascot, Skitch, at Spokane Falls Community College in the Spartan Theatre from 1-4pm both days. This can even be your work study position so consider trying out. Thank you.
